How to Register for Long Trail Day

Thank you for supporting the Green Mountain Club and your interest in our summer fundraiser and celebration of hiking, Long Trail Day. The community fundraising element of Long Trail Day is managed through TeamRaiser, a service that integrates with GMC's existing database. Here are a few quick steps for using TeamRaiser and navigating through some of its tricky steps.

We've found that TeamRaiser works best with the Google Chrome internet browser. If you don't have Chrome, you can download it and install it on your laptop or desktop computer for free here. You can also use Firefox, Safari, Explorer, or other browsers too.

NEED HELP? Email longtrailday@greenmountainclub.org and a member of our team will get back to you during business hours!
